Daly City Area 'Backs The Attack'

Jefferson Offers Army Band Concert Soldiers Set Record Of 100 Per Cent Buying

As the Third War Loan drive neared its deadline, September 30, Daly City's record for backing the attack with War Bonds was markedly improved with the decision of the city council, Monday night, to purchase \$10,000 worth of bonds. At the adjourned meeting, tonight, of the councilmen, details of the purchase will be cleared up, but these are formalities and the \$10,000 is ready to "go to war" now.

The Daly City branch, Bank of America, had a bit of news which should put every citizen not buying bonds "until it hurts" to shame. The soldiers stationed at Fort Daly City have averaged better than one War Bond apiece during the drive. Their company is 100 per cent. Since they purchased their bonds here in Daly City, their record goes to the credit of this community.

ARMY BAND HERE

Tomorrow, October 1, the U. S. Army's 53rd Infantry band will play at Jefferson Union high school at a special assembly, 2 to 3 p. m. to which the public is invited. Admission will be at least one 25c war stamp or three 10c stamps. Bonds will be sold during the program. Those who wish to attend must make their stamp or bond purchases at the school.

The event is sponsored by the War Bond and Stamp committee of Jefferson Union high school and they hope for an excellent turnout of students and adults. For those who like to buy their bonds at "occasions," here's an opportunity made to order! A stirring program of music and fun is promised.

The Colma branch, Bank of America, has had a War Bond table since the opening of the drive. (Continued on Page 6)

Here's How Daly City Handles Tin

Numerous misunderstandings have resulted over Daly City's Tin Can Salvage campaign. Reason for this is described by R. L. Crane jr., salvage chairman, as being the inability of some Daly City residents to differentiate between how it's done in San Francisco and how it's done in Daly City. When the metropolitan dailies run stories that say tin cans will be picked up such-and-such a Sunday morning, it does not mean they will be picked up in Daly City.

Daly City is in a different county. Its entire tin campaign is handled in a different manner. It's different, that's all, see?

In Daly City, except for the summer pickup announced in advance by the local paper, tin is collected through the schools. Youngsters act as salvage agents and gather CLEAN, PROPERLY PREPARED tins at homes in (Continued on Page 5)

Skipper Coughlin Leaves For Nevada

Skipper Frank Coughlin has resigned as director of Sea Scout Ship No. 144, due to transferring to Reno, Nevada, with the telephone company for which he works. Coughlin and his family left for their new home, Friday, September 24.

Bert Meritt, chairman of the Daly City-Colma Lions club committee on sea scouting, which sponsors Ship No. 144, announces that Herb Hickman, member of the Lions club and past skipper of Ship No. 133, will be in charge. Meetings continue as usual at sea scout headquarters, 6266-68 Mission street. The Cabin Boy patrols meet every Thursday evening at 7:30, and the ship holds its regular meeting, every Wednesday night at 7:30.

For the time being, members of Sea Scout Ship No. 133 are meeting with Ship No. 144.

Bill Stratton Hurt In Sept. 26 Accident

Bill Stratton, 626 Hanover street, Daly City, was seriously injured in an auto-pedestrian accident at 1:30 a. m., Sunday, September 26. He was struck by a car driven by Fred Willis Goethe, 825 Clement street, San Francisco, at Junipero Serra boulevard and Ninety-first avenue. Officers Walter Davis and George Savage of the Daly City Police force discovered the accident while on routine patrol.

Stratton suffered fractures of both legs and one arm. He was taken to Community hospital in an ambulance and later transferred to St. Luke's hospital in San Francisco. The incident was handled by the California Highway patrol since it occurred outside the city limits of Daly City. The local department notified Stratton's wife of the accident.

Stratton is an employe of the Railway Express agency, Ferry building, San Francisco.

Capture Burglar In Tringali Home

A neighbor's speedy action in calling Daly City police, Friday evening, September 24, was responsible for the probable saving of \$400 and a valuable ring which otherwise would have been stolen from the home of Luciano Tringali, 116 Flournoy street.

Informed at 8:10 p. m. by E. A. Mahan, 128 Flournoy street, that lights were on in the Tringali residence although he knew the family to be away, Police Officers Henry Sundermann jr. and Roland A. Petrocchi, captured Lawrence Whittlesey, 18, in the act of ransacking the house. The would-be-burglar had gained entrance by forcing a window.

When the owner of the residence and police checked over the house they found that the purse with the money had been moved and other articles strewn about. Whittlesey apparently attempted to throw aside the loot on the approach of police.

Whittlesey, who has been staying at a local auto court, admitted doing two jobs at Mission Auto court, to cutting up seats at the Daly City theatre, and to a stretch at Whittier and another at Preston, from which institution he was currently paroled.

He was arraigned, Monday, and preliminary hearing was set for tomorrow, October 1, before Judge William J. Sweethey in city court at 3 p. m.

Set War Chest Quota For County

The San Mateo County War Chest quota is \$225,580!

Beneficiaries under that quota will be the San Mateo County Blood Bank, San Mateo County Preventorium, Boy Scouts of America, Girl Scouts of America, Young Men's Christian association, San Mateo County Catholic Charities and seventeen war relief agencies, it was announced, today, by E. H. Cosgriff, chairman of the war chest organization.

Daly City is expected to raise nearly \$5,000 in the drive, according to Mrs. Marce Trier, district chairman. She appealed today for more workers. Volunteers may contact her 8 to 9:30 a. m. and 5 to 7 p. m. daily at RAndolph 6652, 158 Woodrow street.

"We have a big job to do if (Continued on Page 6)

Report Several Point Value Jumps

Butter, six types of canned fruits, asparagus and mushrooms will cost more food points after Sunday, October 3, according to the new table of food point values issued by the Office of Price Administration.

Butter was slated to go to a new high of 16 points per pound in the new period. This calls for (Continued on Page 2)

Dimout Rules Are Still In Effect

Daly City residents who glanced at the metropolitan headlines "Dimout Rules Eased," Sunday, and turned on a blaze of lights in celebration were in for a rude awakening. Daly City is NOT affected by the recent announcement from Lieutenant General Delos C. Emmons, Western Defense command, that some dimout zones probably would be eliminated and additional lighting allowed cities not visible from the coast.

There may be more light on the Pacific coast, in the next two weeks, but that won't apply to Daly City. Civilian War Council Chief Arthur J. Bodien cautioned all business houses and residents here to comply thoroughly with the dimout regulations as originally prescribed for this community. Daly City is plainly visible from the sea and no relaxation of enforcement may be expected.

Daly City police will continue to stop and cite motorists who violate this city's dimout.

NEWS OF OUR MEN and WOMEN IN UNIFORM

After four weeks at boot camp, Private Evelyn Ciemoli Kennedy has received a promotion to sergeant. She is now stationed at the Omaha, Nebraska, recruiting office for the United States Marine Corps Women's Reserve.

Sergeant Kennedy took her basic training at Camp Lejeune, North Carolina. She is the daughter of Mr. and Mrs. Peter Ciemoli, 813 Brunswick street.

Now enjoying a furlough in Daly City is Howard Anderson, seaman first class, U. S. Navy. He is the son of Mr. and Mrs. A. B. Anderson, 627 Templeton avenue. Anderson was one of the survivors of the sinking of the cruiser, Helena, in July, 1943. He has served in the Navy for three years.

The Anderson family formerly lived in Minnesota but have made their home in Daly City for the past several years.

John Razzari, former president of the student body at Jefferson Union high school, was home on a pre-embarkation liberty, recently. Razzari, a member of the Navy Sea Bees, has been stationed at Camp Parks, Pleasanton, California. He received his initial training at Williamsburg, Virginia. Next he took advance training and commando tactics near Providence, Rhode Island.

Razzari was very active in sports while at Jeff. He was captain of the basketball team; he played shortstop on the baseball team, and quarterback on the football team.

Razzari married Miss Mary Heywood, who was vice-president of the student body during his term as president.

Razzari's brother, Charles, is now stationed in Idaho with the U. S. Army.

Three brothers, all graduates of Jefferson Union high school, are now serving with the U. S. Army in widely separated parts of the country. They are Corporal George R. Wilson, with the fighter group at Venice air base, Florida; Corporal Roy O. Wilson, in a gun battalion at Fort Bliss, Texas; and Howard Wilson, in the signal corps at Long Island, New York.

The young men are the sons of Mr. and Mrs. B. C. Wilson, Sonoma, who made their home in Daly City for many years. Their brother, Walton Wilson, resides at 353 Winchester street.

Friends of Private First Class Charles W. Anderson report receiving cheerful letters from somewhere in Alaska, where he is stationed with the U. S. Army. Anderson, who was born and reared in Daly City, received all his schooling here and was the owner of Charlie's Radio shop in Colma. He thinks Army life is great and tells of many interesting experiences since he went into the service.

OLPH Mothers Club Now At Service Center

Through the courtesy of local residents many servicemen stationed in this area were enabled to attend the Peninsula Police Officers' ball, last Saturday night. Those who wished to give their tickets to servicemen left them at the Daly City Servicemen's club, 6201 Mission street, which turned them over to the men.

Currently handling hostess duties at the center are members of the Mothers Club of Our Lady of Perpetual Help school. Beginning Sunday, October 3, Woodrow Wilson P. T. A. will be in charge. Their week will be concluded with a social, Saturday night, October 9. Dancing and refreshments will be enjoyed.

The Tuesday evening dancing classes for servicemen continue at the center and are very popular, according to the center's committee.

Board Sends Out Induction Orders

Orders to report for induction into the armed forces were mailed to 82 men in the area of Daly City Draft Board No. 103, Monday, September 27, according to Mrs. Isabelle Flynn. This group is to meet the quota requested by the military authorities for Saturday, October 9, only October call scheduled as yet.

Completing the task of taking an inventory of all classifications on file at the local headquarters, second floor, city hall, 75 Wellington avenue, ahead of the deadline set by the state director of selective service, regular office hours were resumed at the Daly City office, Monday. Hours are 9 a. m. to 5 p. m. daily including Saturday and until 7:30 p. m. Tuesday evenings.

The draft board itself meets every Tuesday evening at the city hall headquarters. Anyone wishing to appear before it should make an appointment in advance with Mrs. Flynn by calling RAndolph 4075 or coming to the city hall.

Mrs. Flynn revealed that the October 9 call will exhaust all the 1-A classifications which the board has at the present time.

Chief Describes Home Fire Hazards

Fire Prevention Week, October 3 to 9 can best be observed, according to Daly City Fire Chief A. P. Chesney by "discovering the fire hazards in your own home, such as accumulations of rubbish, faulty chimneys, worn out electric wires, and correcting them at once."

Chief Chesney reports that 66 per cent of deaths from fire occur in homes and that a large percentage of these deaths are children under 5 years of age.

"Watch out for oily dust cloths, mops or waste if folded up tightly in a bundle. These will ignite very quickly in a warm room or (Continued on Page 6)

Plans Under Way For October Drill

Next meeting of Daly City's Civilian War Council is set for Thursday, October 7, 8 p. m. at the city hall, according to Director A. J. Bodien. He said it would be a routine business meeting for the group; all members are urged to attend.

Plans are progressing for the all-out drill to be held in the section of the city north of Bepler street and Wellington avenue, Thursday, October 28. All services will be called into play in this test.

Harry Melicker, chief air raid warden, is making arrangements for a general discussion meeting on civilian defense to be held at the high school auditorium, Thursday night, October 14. The public is invited to be at this meeting, as well as all volunteers.

City Council Votes To Purchase \$10,000 In Bonds Schedule Adjourned Meeting For Tonight

Councilman Eugene V. Lynch made a motion at Monday night's council meeting for Daly City to place a portion of its excess funds in War Bonds. Specified amount was \$10,000, and the purchase is to be subject to the recommendations of the auditor and attorney as to the series and number. Councilman John J. Fahey sr. seconded the motion, which was unanimously passed.

All five councilmen were present, Monday night, with Hugh H. Smith jr. home on furlough from the U. S. Army. Smith read the council the state military and veteran's code in regard to municipal officials who enter the armed forces. He does not intend to resign, he stated, and suggested a candidate as a temporary replacement for himself. The matter was laid over to the special adjourned session to be held at the city hall, 8 o'clock, tonight, September 30.

In the meantime, the city attorney, F. E. Hoffmann was instructed to bring the adjourned session a legal opinion as to whether Councilman Smith may vote on his successor.

Mrs. Loretta Maffei was granted a leave of absence from her position as clerk of the city court and secretary to the purchasing agent. She has gone to Texas to visit her husband in the armed forces.

The council asked Arthur J. Bodien, superintendent of the water department, to represent Daly City at the conference of the (Continued on Page 6)

Night School Work Begins At Jeff High

Night school classes began at Jefferson Union high school, Tuesday night, but enrollments are still open. Those wishing to sign up for courses may do so tonight, September 30, or later in the season, although immediate registration is preferred by the school.

Classes in office machines, typing, shorthand, and bookkeeping are offered for those who wish to enter the business world or to brush up on former training in the field. Beginners' English and Americanization courses are scheduled. The night school convenes every Tuesday and Thursday night from 7 to 9 o'clock.

Pool and gymnasium are open to the public every evening in the week, except Saturday and Sunday from 7 to 9:30. On Wednesday (Continued on Page 6)

Farallone Packers Win Playoff Series

Champions of the Peninsula Summer Baseball league—that's the title annexed by Daly City's Farallone Packers, in winning the playoff series with a second straight victory, last Sunday afternoon. Fans packed the grandstand at Marchbank park, in this city, and saw the Packers hand the Moffat Mantecas a 4-2 beating, to sweep the series.

It was the fourth consecutive playoff win for the veteran Walter Lister, pitching for Manager Charles Norry's Farallones, who gave up eight hits while his own squad pounded out 11. In the preliminary playoffs he had triumphed over Belmont in two straight wins, after the latter team finished the regular season in top spot, making his playoff pitching record stand at four wins and no losses.

Although the Packers took a lead in the first inning, and held it throughout the contest, the play was close and provided plenty of thrills to followers of the sport.

"Lily Mars" Now On Local Screen

Lilting melodies mingle with comedy and a haunting love story in "Presenting Lily Mars," which brings Judy Garland to the Daly City theatre, where she is appearing in one of the most intriguing roles of her career. Judy is teamed not with another singing star but with a polished actor in the person of Van Heflin.

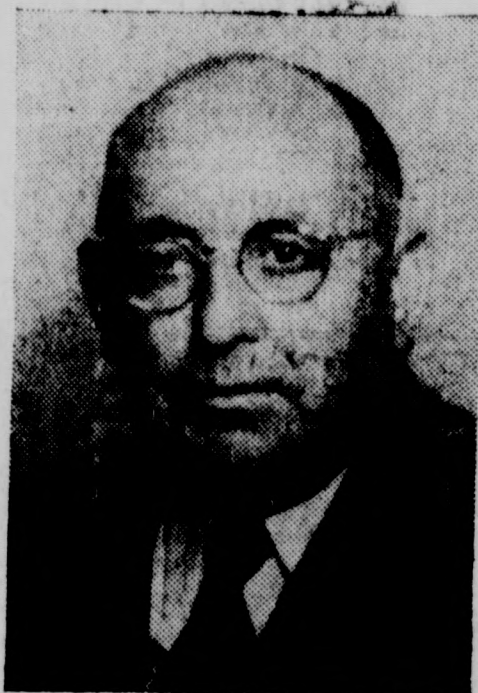

The story is engaging. It deals with a young girl who wants to become a musical comedy star, a producer who cannot see her possibilities, and the various complications that follow when the very resolute young lady sets out to show him the error of his ways.

Judy "crashes" a party, insists on acting Shakespeare for the impresario, manages to get his prima donna insanely jealous but finally wins out, takes her place in the spotlight and wins a husband.

Amid the fun and romance are such hit numbers as "Mirage," executed by Bob Crosby and his band, who figures prominently in the picture; "Tom, Tom, the Piper's Son," a hit for Judy; "Kulebaika," exotic number sung by glamorous Marta Eggerth, and others.

Heflin plays the producer who finally yields to Judy's charms and songs, and Miss Eggerth is a glamorous figure as the fiery prima donna. Richard Carlson is convincing as a harried young playwright. Spring Byington, Fay Bainter, Connie Gilchrist and others have important roles. Norman Taurog, famous for romances of youth from "Skippy" on, directed. Joseph Pasternak produced for M-G-M.

NEW BAR HEAD

Russell F. O'Hara of Vallejo, newly elected president of the State Bar of California, announced that the present program of war work, in particular the free legal advice to military personnel and their dependents would be continued and expanded during the forthcoming year.

Busy, Battling, Building, Bees

THIS is the insignia of the Seabees, the Construction Battalions of the U. S. Navy. Seabees are a war-born branch of the Navy, whose members use building skills acquired in civilian life, augmented by military training, to make life miserable for Hitler and Tojo. Because they fight as well as construct, their motto is: "We Fight For What We Build."

Seabee is the phonetic pronunciation of the initials of Construction Battalions. The insignia—a caricatured bee, fighting mad, with construction tools and tommy gun in multiple hands—typifies the spirit of the organization. Emblematic of the Navy are the hawser, forming the outside border of the circle, and the white sailor's hat perched atop the embattled bee's head.

The Seabees need craftsmen familiar with construction work—with experience ranging from apprentice to foreman—giving them a chance to qualify for petty officers' ratings at pay from \$78 to \$126 monthly, plus food and quarters, free uniforms, with 20 per cent increase in base pay for overseas service, dependency allotments and other extras. Men between 18 and 38 can apply at Navy Recruiting Stations for voluntary induction, while youths 17 years old and men between 38 and 50 may be accepted by voluntary enlistment. There are similar opportunities in the Army Engineers.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Dimout Violators Still Jam Court

In spite of sharply increased fines, dimout violations are still very numerous in the Daly City area, according to Judge William J. Sweeney. He issued a strong appeal for public cooperation with the vital dimout regulations.

At Friday's city traffic court session, the following were fined for dimout violations: Thelma L. Lang, 1700 Octavia street, San Francisco, \$5; Maurice Black, 33 Congo street, San Francisco, \$5; Edwin Turpin, 515 Prentice street, San Francisco, \$5; Albert Plasil, 1212 Bay street, San Francisco, \$5; James R. Castle, 3439 Twenty-sixth street, San Francisco, \$5; Paul A. Marz, 538 Haight street, San Francisco, \$5.

Speeding cost Guido Galiata, 16 Nahua street, San Francisco, \$7.50, at the September 24 session of court. He was doing 45 miles in a 25 mile zone. Henry McKinstry, Eighteenth street, San Francisco, paid \$10 for going 50 miles; Frank Lopez, 2 Village lane, Colma, was fined \$12.50 for driving at 50 miles per hour and disregarding an arterial stop; N. E. Nelson, 517 Laitley street, San Francisco, received a \$10 speeding fine, with \$7.50 suspended; speeding and improper turning brought a \$10 fine for Carl Bentley Beanden, Brisbane.

Driving with no mufflers cost Roy Louis DeMattei, Abbey street, Colma, \$2.50, and a severe reprimand. Lido Pacini, 187 Mateo avenue, Daly City, was fined \$5 for driving without lights. T. Bridges, 6053 Mission street, Daly City, was fined \$2 for parking his car over night on the street.

Ocean View Imp'mnt. Assn. Meets October 6

Next meeting of the Ocean View Improvement association will be held, Wednesday, October 6, 8:30 p. m. at Community hall, 146 Broad street. All candidates for the office of mayor of S a n Francisco have been invited to attend.

A new member of the Community Council of Ocean View is Reverend Irvin Roe, Pentecostal church.

The community party, September 15, was successful according to all reports.

Members of the Boys club will have a Fathers and Sons Night, October 15, at Community Center, 208 Plymouth avenue. Invitation is extended to boys between 8 and 15, interested in shop work, to join the club.

A. W. V. S. Juniors are launching a drive to collect flannelette to be used for making washable slippers for boys on board ships in the South Pacific. They are also collecting wool pieces and knitting yarn to be used to make knee robes for boys in Bay area hospitals.

Anyone having articles they wish to donate may call Senior Leader Mrs. C. Schneider, DEla-ware 0082, or Publicity Chairman Mrs. C. Schueszler, ELkridge 2019.

the brown stamps in Book Three and leaves consumers wondering seriously whether they prefer butter on their bread or meat to eat with the bread. Currently butter costs 12 points per pound.

On the new table dried peas and lentils were made ration free. Red sour cherries in the No. 2 can jumped from 14 points to 25 points per can. All other types of cherries, except maraschino, were increased 9 points to a new value of 23. Canned grapefruit went up 8 points to a value of 18. Appricots are up to 36, figs to 21,

plums and prunes to 15.

No 2 size can of corn went down to 13 from 16, while the same size in green or wax beans declined from 10 to 8 points.

Asparagus advanced 4 points to 18 points for a No. 2 can, and mushrooms went from 3 to 5 points for a 4 ounce can. Point value of a quart of grape juice went from 3 to 6.

Those who have delayed securing the all-important B o o k Three may still do so by filling out two sets of forms at War Price and Rationing Board No. 83-12-3, 470 Grand avenue, South San Francisco. Miss Genevieve Blue, chief clerk, reports that the local board has a supply of forms and books and will be glad to assist late-comers to secure theirs.

Court St. Mary, CDA Holds Dinner Party

At the last meeting held by Court St. Mary No. 1155, Catholic Daughters of America, presided over by Grand Regent Mrs. Frances Tamony, it was decided that the members would have a dinner party, Tuesday, September 28, at Club Shanghai.

After the meeting, all members went to the social hall, where the social was handled by Mrs. Helen Rode, chairman. There was community singing, with Mrs. Gertrude Johnstone leading the group.

At the end of the "sing" Mrs. Johnstone was presented with a beautiful bouquet. Then command performances were held, with Mrs. Ida Grummel, Mrs. Christine Michelsen, and Mrs. Ida Forest as judges. Prizes were awarded to Mrs. Gertrude Johnstone, Mrs. Nellie Moran, and Mrs. Margaret Roberson.

Refreshments were served at tastefully decorated tables by Mrs. Rode and her committee, and all members spoke of having had a fine evening with a lot of fun, and good eats as well.

A large whist has been planned for Thursday evening, October 7, at Masonic hall, 8:30 p. m. Mrs. Catherine Core and Mrs. Angele Johnson are co-chairmen. There will be a cash first prize and many other lovely awards.

44,000,000 HEADACHES

Millions of citizens have just been awakened—with a shock—to the realization that the 20 per cent deduction that is being taken from their pay envelopes and turned over to the U. S. Treasury is not all they will have to pay on their 1943 Federal income tax account. On the contrary, they will owe the government considerably more when the year is over. "While there is a general impression among taxpayers that they are automatically current in their tax payment—actually in rare instances only will this be the case," writes Harley L. Lutz, professor of public finance at Princeton university, in "The Tax Review," a publication of the Tax Foundation.

The impression that the withholding tax is all that the Treasury will demand from taxpayers for 1943 is not the only erroneous notion that exists regarding the law enacted in June and which was supposed to be so simple. As Professor Lutz stresses, very few people know that the "pay-as-you-earn" law did not repeal, modify or replace the essentials of the 1942 income tax law; neither did it do away with the nuisance of filing a tax return next March; nor did it relieve the taxpayer of the obligation to pay the Victory Tax, although its collection by withholding was discounted after July 1.

What people are going to hate just as much as paying more taxes than they expected to have to pay on their 1943 incomes, is the making out of the March 15 return—that perennial headache which nearly everyone thought had been obviated. The average taxpaying citizen—and there are about 44,000,000 of them—will have a worse time of it than ever in filling out the return next year due to the innumerable complexities, inconsistencies and absurdities with which he must juggle in his attempt to comply with the law. Professor Lutz predicts a revolt "against the foolish and needless reporting, computing and other paper work involved and against the deception involved in implying that the tax at its source had put a large number of persons on a current basis."

The headache has already arrived for about 15,000,000 persons who had to file an estimate of income for 1943 by September 15. Another such declaration relating to income for 1944 will be due on March 15. It means that the taxpayer is only on an "estimated" current tax basis. He can pay as he earns only to the extent that he is good at guessing what his income will be and equally good at figuring the tax on his "guess-timated" income.

Congress could simplify the whole business, according to Professor Lutz, by doing three things, namely: (1) absorb the Victory Tax into the withholding rate; (2) designate the withholding rate as the normal rate; and (3) eliminate the requirement to file a year-end return by the average wage earner or salaried person.

"There is every reason to believe that the few simple suggested changes would sustain and consolidate the good will toward the income tax which was generated by the inauguration of the pay-as-you-go principle," writes Professor Lutz. "On the other hand, the obvious complications of the existing tax structure must inevitably produce ill will. In a time when all citizens must be asked repeatedly to bear steadily increasing taxes, every precaution worth taking to prevent a normal resistance to needless confusion and red tape from developing into a resistance to the taxes themselves."

As popular dissatisfaction with the hodge-podge provisions of the pay-as-you-go plan mounts higher and higher, there are some of the nation's lawmakers who already see that something ought to be done to stem this tide of resentment. Whether anything will be done about it remains to be seen; but much of the dissatisfaction would be obviated by the simple changes suggested by Professor Lutz.

San Mateo County
Tax Rate Is Increased

The \$1.07 county-wide tax rate for San Mateo county for 1943-44, is up 1.46 cents from the \$1.0554 rate levied for 1942-43, study of county-wide tax rates just completed by California Taxpayers' association, shows. The county-wide rate includes a 11 rates levied on all property throughout the county, the association said.

The county is one of five counties in California in which the county board of supervisors increased the county-wide tax rate for 1943-44, the association found. Fifty California counties showed decreases in the rate for county-wide purposes, while in three counties the county-wide tax rate did not change from the rate levied for 1942-43.

"Many factors contributed to tax rate reduction this year," the

Legion Auxiliary
Schedules Whist

The public is invited to attend the whist party to be given by Daly City Unit No. 410, American Legion auxiliary, tomorrow afternoon, October 1, at Legion hall, 474 San Diego avenue. The whist will begin at 2 p. m. with Mrs. Leslie Hanson as chairman. She announces nice prizes. Refreshments will be served.

General meeting of the unit will be held, Wednesday, October 6, 7:30 p. m. at Legion hall.

During the recent War Bond drive at the Daly City theatre, Daly City Unit No. 410 assisted. They were at the booth, Sunday, Monday, and Tuesday nights of last week. Those on hand were Mrs. Kathleen Matzek, Mrs. Vivian Pahlka, Mrs. Catherine Foreman, Mrs. Mary Crane and Mrs. Nell Dorrance.

Under the chairmanship of Mrs. Hanson, the unit is now conducting a membership drive.

association said. "The counties maximum share of the cost of old age assistance was cut by the Legislature from \$10 to \$5 per case per month. Other types of relief have shown positive downward trends. Capital outlay has ceased because of war conditions. Loss of personnel to the armed forces and war industries has in many cases reduced the number of county employees. Surpluses and carry-over balances in many communities have aided in tax rate reductions. Assessed values are up in all but six California counties."

READING & WRITING

BY Edwin Seaver AND Robin McKoun

AT the age of twelve, a Southern lad named Robert Scott made up his mind that he wanted to be an air pilot. Accordingly, he built himself a glider—and crashed sixty-seven feet onto a rose bush when he flew it out into space. Undaunted, a year later he bought a wartime Jenny, which the Government was auctioning off, for seventy-five dollars. A street-car conductor who had once been a pilot taught him to fly it.

COL. ROBERT SCOTT

"Have you ever flown a four-engined ship?" He hadn't, but he was sure he could. His first assignment was to fly one of a squadron of Fortresses to China. There he was assigned to the Assam-Burma-China ferry command that was to keep the supply line to China open after the Japs had closed the Burma Road. It was a dangerous mission. But not dangerous enough for Scott.

Using his remarkable powers of persuading Generals, he procured for himself a P-40 fighter from General Claire Chennault and set himself up, besides his ferrying duties, as a one-man spare time branch of China's Fighting Tigers. He was finally made commander of all the fighters in China under Chennault. Almost half his book deals with the exciting and dangerous exploits of himself and his comrades during this period.

The Book-of-the-Month Club announces a dual selection for November. One book is "The Battle Is The Pay-off," by Captain Ralph Ingersoll, an account of this former newspaper editor's experiences in North Africa, in which he tells how our army is trained and how this training takes effect in battle, the battle in this case being the fight for North Africa. The second book is "The Little Locksmith," by Katharine Butler Hathaway, the autobiographical story of a crippled girl's search for spiritual beauty.

"Front Line," the official story of the civil defense of Britain, which sold more than one million copies in England within six weeks, tells of the remarkable lack of hysteria among British citizens during the Nazi blitz. One authority did prophesy that if Jerry kept up continuous raids night after night on a place like Liverpool, a lot of people would disappear. Someone asked him, "And when would they come back?" The authority smiled. "Next morning," he said.

Bus Industry Seeks Lifting Of 35-Mile Limit

How the bus industry could serve wartime travelers better if the 35-mile speed restrictions were lifted as it applies to buses, was stressed today by F. W. Ackerman, vice-president of Pacific Greyhound lines.

"Despite wartime restrictions, buses are now carrying more than half of all intercity passengers and could assume an even greater burden of essential travel if road speed limitations were eased," Ackerman said, quoting from a report of the National Association of Motor Bus Operators.

Many of the restrictions which hampered the bus operators in meeting wartime transportation demands have been partially overcome, the association points out, but the industry could make a greater contribution if the highway speed limit for the intercity carriers was raised. The association's report shows that the reduction in maximum speed to 35 miles per hour has failed to produce appreciable savings in either rubber or motor fuel so far as the industry is concerned. On the other hand, the slower speeds have interfered with the efficiency of bus operation, by requiring more manpower in driver and mechanic personnel, and causing undue wear upon engines, transmissions, and clutches.

Leaders of the industry contend that if the intercity buses were allowed to operate at a maximum of 45 miles per hour on the open highway, a substantially increased number of passengers could be carried without additional equipment or personnel.

The extent of the industry's contribution to wartime transportation needs is reported in a survey of current operating conditions that was made for the association by impartial investigators. The findings have been presented to government agencies and fact-finding organizations to acquaint them with the vital part the bus industry is playing in the war effort and to indicate how the easing of certain restrictions would enable the highway passenger carriers to assume even greater travel burdens.

The demand for public transportation has grown to gigantic proportions, according to Arthur M. Hill, president of the bus operators organization. He stated that this is because of the tremendous number of men and women in the armed forces and the unprecedented employment in war industries, coupled with the fact that gas and tire rationing has so drastically curtailed the use of privately owned automobiles. In 1942, the intercity buses carried 692,000,000 passengers and this all-time record will be greatly surpassed this year.

Albert Sundstrom Jr. Killed In Plane Crash

Funeral arrangements were still pending, yesterday morning, for Albert L. Sundstrom Jr., Daly City aviation cadet killed in an airplane crash in Southern California, last week. Parents of the youth were notified first that he was missing and later in Southern California they received the tragic news that he had met his death.

The son of Mr. and Mrs. Albert L. Sundstrom sr., 174 Crocker avenue, the young man had been in the U. S. Army for a year. He enlisted in the air corps. He was a graduate of St. Ignatius high school, Our Lady of Perpetual Help grammar school, and had attended San Francisco junior college for a year. He had lived in Daly City all his life.

In addition to his parents, he is survived by a sister, Rosemarie Sundstrom, and his grandparents, Mr. and Mrs. A. P. Azaveda of Santa Clara. He was only 19 years of age.

HIGHWAY to VICTORY and your highway to a better future

The road to Victory must be paved with War Bonds. The purchase of bonds will help win the war and assure a sound post-war economy. Every dollar you put into War Bonds does three vital jobs:

1. It helps shorten the war and thus saves American lives.
2. It protects your future as an investment.
3. It prevents Inflation now and after the war.

Our Government needs \$15 Billion from War Bonds this month to "back the attack." Your share, every American's share, is at least one extra \$100 Bond.

UNDER POWER OF SALE
IN MORTGAGE

WHEREAS, on the 18th day of March, 1941, HOWARD E. MOHR, an Unmarried Man executed and delivered to THE HIBERNIA SAVINGS AND LOAN SOCIETY his promissory note in the total sum of Fourteen Thousand (\$14,000) Dollars, and to secure the payment and performance of all the terms thereof, did execute and deliver to said Society a mortgage upon the parcel or parcels of real property hereinafter described, which said mortgage was recorded in the office of the Recorder of the County of San Mateo, State of California, on March 21st, 1941, in Liber 945 of Official Records, at page 227; and

WHEREAS, said indenture of mortgage contained a grant of power of sale to said Society in the following terms:

"And the Mortgagor hereby empowers the Mortgagee to sell and convey said mortgaged property at any time after default made in the payment of any of said installments, as provided in said Promissory Note or after the breach of any obligation for which this Mortgage is security; any such sale may be public or private, at the option of the Mortgagee, and may be for such price, and on such terms as to payment or otherwise, as the Mortgagee may deem proper; at any such sale the Mortgagee, in its own name, or in the name of any person, shall have the right to purchase; and the Mortgagor hereby authorizes and empowers the Mortgagee to execute and deliver, in the name of the Mortgagor, a good and sufficient deed and conveyance of said property, or any part thereof; and any recitals contained in any conveyance of the mortgaged property which may be made by the Mortgagee, must be deemed conclusive evidence of the facts recited."

WHEREAS, thereafter said Society did cause to be recorded in the office of the Recorder of said County and State a "Notice of Breach of Obligation Secured by Mortgage and of Intention to Sell Real Property Described Therein," declaring a breach of said obligations and its intention to sell the real property described in said mortgage to satisfy the same, which said notice of breach was so recorded on May 24th, 1943, in Liber 1068 of Official Records, at page 28;

NOW, THEREFORE, in accordance with the terms, provisions and conditions of said mortgage and under the authority of the power of sale contained therein, the undersigned, the owner and holder of said promissory note and mortgage, does hereby give notice that on Friday, the 15th day of October, 1943, at the hour of 1 o'clock P. M. of said day, at the main entrance to the Court House in Redwood City, County of San Mateo, State of California, it will sell, at public auction to the highest bidder, for cash, lawful money of the United States, all that certain real property situated in the City of Daly City, County of San Mateo bounded and described as follows:

Set War Chest
Quota For County

Daly City is to accomplish what is expected of it in the War Chest campaign, opening October 18," Mrs. Trier said, in asking public cooperation.

Another phase of the campaign was clarified when Mrs. Trier pointed out that in order for local residents' donations to count toward the San Mateo County quota the money must be given locally, not in San Francisco. Daly City is in San Mateo county.

In making the announcement of the county quota, Cosgriff said: "The San Mateo County War Chest, Inc. is a unit of the California War Chest which in turn is affiliated with the National War Fund.

"After a thorough study of the budgets presented from the six local agencies by our budget and admission and executive committees, and the acceptance of this county's quota from the State War Chest, our total county quota is \$225,580.

"This is the largest amount San Mateo county residents have ever been asked to contribute at one time. But we are confident that all our citizens will consider it an opportunity to give with confidence in support of services for our fighting men, the more than ever essential home front agencies and for relief to the suffering people of our allies."

The War Chest campaign starts October 18 and continues for two weeks thereafter. It embraces the entire county.

It will offer the opportunity, Cosgriff pointed out, for budgeting the public's contributions to worthy county organizations plus war relief agencies in one concerted effort.

"It actually represents several campaigns all in one and offers aid through public subscription to the home front as well as the war front," Cosgriff said.

Meanwhile circulars are about to be distributed which not only offer factual information about the war chest but also offer a form for budgeting contributions to the various organizations.

War Chest headquarters is at 1211 Burlingame avenue, Burlingame.

"Fire the first year we were in the war caused 10,000 deaths while the war deaths for the same period were 8,000," Chesney stated.

A few rules for preventing fires in the home were outlined by Chesney in closing his appeal for local cooperation during Fire Prevention Week and throughout the year:

EXECUTIVE BOARD

The first meeting of the executive board for the fall semester was called to order, Tuesday, September 21 at 8:02 by Ken Hatt, president.

New Business:

Ideas as to designs for covers for the student body cards were asked. Lenore Ross and Elsie Belli were appointed as a committee to work on them. Clive M. Saiz pointed out that perhaps a simple cover design would be better because of the question of labor shortage.

Al Cheloni was to find out from the coach the schedule for the football games.

Questions were asked about the yell book that was being worked on, last year. Elsie Belli is to see about getting it organized. She would like to have try-outs for assistant yell-leaders soon.

The question of election of class officers was discussed. If possible elections were to be held this week.

Questions were asked about how many dances could be held each semester. The president stated that three dances could be held besides the Senior Ball. The first dance to be held will depend upon the band.

BONDS 'N STAMPS

The stamps and bonds committee of Jefferson Union high school started off the term with a bang.

At their first meeting, Elsie Belli, Louise Terry, and Ken Hatt, who are on the committee, elected as their chairman Lois Rich, who hopes to add a few more members to the committee in the near future.

At the meeting the committee revealed some brilliant ideas for future sales of stamps and bonds in order that Jefferson might keep flying the Treasury flag, which was obtained some months ago.

The committee also suggested that the students have a goal to work for this year. One suggestion is a pursuit plane that would be named for the school, to cost \$75,000 dollars. This is a large sum of money, but considering the late start the students had last year in bringing in \$26,000, the goal ought to be reached this year if all the students cooperate.

The public can help the students reach their goal by letting them buy their stamps and bonds at Jefferson.

MUSIC

The Indians of Rhythm show great promise from their initial showing. There is a very large turn out and the personnel now includes eight trumpets, four trombones, three pianos, five saxophones, one drummer and several vocalists.

Lead trumpet, Emile Lemoine, will be backed up by Phil Barsetti and Ted Ekers in the trumpet section—we should be hearing a lot from Emile—these and also four new candidates on trumpet. Veteran slide men, Eugene Grant and Hubert McDaniell, will be aided by two new men in the trombone section. Ken Hatt's powerful lead alto will head the saxophones with Richard Dofsen, Don Bortis, Roberta McDaniell and a new man filling out the section. Old timers Barbara Gregor and Doris Vernengo are back on the ivories with a new candidate. Perada is back pounding the skins.

Vocalists Lillian Altman and Pat Morocco are out for vocal honors with several new candidates.

Howard Miguel is presently trying to get the band in shape for a dance on the eve of the first football game, which is October 8. With some hard work he hopes to have them ready.

Plans for the operetta "H. M. S. Pinafore" by Gilbert & Sullivan are under way, under the direction of Oscar Busch, music di-

EAGLES

Colma Vista Grande Aerie No. 1848, F. O. E., reports that recent visitors have included Riley McJinsey, Jack Patton, William Rolley Jr., Otto Bueren, Charles Brush, Larry Lombard, Mel Dykman, Harry Mendelson, and Daniel Aguirre, all aerie members now in the armed forces.

Initiation was held by the aerie Thursday, September 23, at Eagles hall in honor of Past Worthy President Larry Shaw. Fourteen candidates were initiated. Next meeting will be Thursday, October 7, 8:15 p. m.

CROCKER CHAPTER

Following a short business meeting, Crocker Chapter No. 382, O. E. S., will hold a bazaar, Monday evening, October 4, at Masonic temple, 17 Hillcrest drive. Mrs. Henrietta Mather and the 1943 officers are in charge of the evening.

On Monday, October 18, the chapter will hold no regular meeting. A whist at 8:15 p. m. is scheduled and members are urged to bring their friends. Refreshments are to be served. Mrs. Janet Turner heads the committee conducting the whist.

rector at Jefferson high.

Ken Hatt, Pat Morocco, Robert Olson, and Kenneth Martin will star in the leading roles. Kenneth Bradshaw, the only freshman in the cast, will play opposite Pat Morocco.

The date for presenting the operetta has not been set.

G. P. A. L.

G. P. A. L. has started off its after school activities with softball. The officers for the term are Barbara Gregor, president; Beatrice Seidel, who was elected vice-president, has left and no one has been appointed to take her place; Isabel Scholdager, secretary; and Doris Vernengo, publicity manager.

NEWS BRIEFS

October 5 practice will start for the swimming pageant. The pageant, which is given every year, will be on the order of a circus with floating, swimming, tumbling, diving, races, parading, and other events.

The Totem Pole will not be circulated until next Thursday, October 7.

Junior Red Cross Starts Program

Students enrolled in the San Mateo County Junior Red Cross have begun an ambitious program as outlined by Miss Dolorita Falvey, chairman of the San Mateo County Chapter Junior Red Cross.

This year 25 per cent more government hospitals will receive recreational, comfort and convenience articles made and donated by 15,000 Junior Red Cross workers enrolled in high schools and grammar schools in San Mateo county. Christmas decorations for men in foreign fields will be stressed as well.

An indication of the amount of work to be done is the fact that quotas have been increased at least threefold, and in some categories more than fivefold.

Students are beginning work on the holiday articles immediately under the direction of the school Junior Red Cross advisors in order to have the articles ready for Christmas distribution.

R. L. Crane Jr., in charge of the Junior Red Cross program throughout the Jefferson Elementary School district in Daly City, reports that last year the local schools turned out more articles for the Junior Red Cross than all the rest of the county schools together. "We expect to do the same again this year," he stated.

Assisting Crane with the Junior Red Cross work here is Mrs. Ruth Mayo, sewing classes' supervisor, and Mrs. Rose Corral, arts and crafts.

Block Mothers

Women interested in the Daly City Block Mothers organization are urged to be present at the October meeting of the group. Mrs. S. G. Bryant will have the session at her home, 559 San Diego avenue, beginning at 8 o'clock, Wednesday evening, October 6.

Mrs. Adele Hanelt, organizer of the group, reports that large numbers of recruits are still necessary if Daly City is to have a Block Mother setup capable of functioning effectively in the event of an air raid or other disaster.

Any local woman who would like more information about the work of the Block Mothers may contact Mrs. Bryant at DElaware 9907.

Hold Funeral Services For Ivan H. Wilson

Funeral services for Ivan Hathaway Wilson, 202A School street, were held, Friday afternoon, September 24, at the W. C. Lasswell and company chapel. Interment followed at National cemetery, San Bruno.

Wilson, who was 53 years old, was found lying on the northeast corner of East Cavour and Mission streets, September 22, at 5:40 a. m. by Daly City police. He was the victim of a sudden heart attack, apparently, having left his home at 5 a. m. to go to work.

Surviving are Mrs. Louise Wilson, his wife, and a daughter. He was a machinist at the Mare Island shipyards and a member of the Veterans of Foreign Wars.

GAELIC COURSE

A seven months course in the Gaelic language, and Gaelic culture, together with instruction in Gaelic songs, is offered free to the public at the University of San Francisco, 2130 Fulton street, San Francisco.

The opening meeting has been set for Sunday, October 3, at 2 p. m. There will be a class for learners, and one for more advanced students. There are no fees, no requirements, and no restrictions whatever as to age, race or creed.

The classes will be under the personal direction of J. C. MacDonald Hay, F. S. A. (Scot), who for 17 years was a resident of Daly City. His present address is 165 Georgia avenue, San Bruno.

Your Government asks your COOPERATION in the CONSERVATION of ELECTRICITY and GAS

Read these excerpts from a letter addressed to Utilities and Their Customers by J. A. Krug, Director, Office of War Utilities.

The War Production Board has proclaimed that maximum war production requires the greatest possible conservation of manpower, transportation, fuel, equipment, and critical materials such as copper, steel, tungsten, and many others—much greater than has been heretofore accomplished.

We cannot exert maximum force against our enemies if waste on the home front is tolerated.

In the electric utility industry, the installed generating capacity, together with capacity under construction, is ample to meet all foreseeable electric needs. But it is essential to save the use of electricity wherever possible so as to reduce, directly or indirectly, the demands for materials, fuel, transportation and manpower.

The desired result will be obtained through the full cooperation of millions of people in the conservation program. With everyone contributing, the effect will be tremendous in hastening the day of Victory.

By pledging ourselves to the following platform, this company, its 12,000 employees and its 1,700,000 customers can cooperate as partners in the Conservation Program:

1. We will **WASTE NOT** so that our fighting men will **WANT NOT**.
2. We will watch to prevent waste of gas and electricity as we watch a leaking faucet.
3. We will buy only those home appliances we need and take care of those we own.
4. We will put every possible dollar of savings into War Bonds and Stamps.

Gas and Electricity are Vital in War Production—do not waste them!

I'M BUYING A USED STUDEBAKER BECAUSE...

I'm a war production worker—I'm buying a used Studebaker because I want a car that's downright easy on tires and gas these war days.

I'm a business man—I'm buying a used Studebaker because I know Studebaker materials and craftsmanship won't let me down.

I'm a volunteer worker—I'm buying a used Studebaker because I want a car that's easy to handle and won't fatigue me.

I'm a farmer—I'm buying a used Studebaker because I want a car that won't need a lot of mechanical attention, with manpower scarce.

YOU save tires and gasoline, when you own a used Studebaker Champion, Commander or President. That's because of the pioneering of Studebaker engineers in eliminating needless excess bulk.

You save on repair costs, too, because of the high quality of Studebaker materials and craftsmanship.

But don't wait too long to order your used Studebaker. They're getting scarce. Besides used Studebakers, our stocks include good used cars of other popular makes.

Keep your car up to par with Studebaker service

Drive in frequently and have your car inspected, no matter what make it is. If adjustments or repairs seem necessary, you'll be given a check list of what needs to be done. Efficient mechanics will do the work quickly and at moderate cost.

**Julia says—
Here's how with
fall vegetables**

I FOUND, long ago, that fall vegetables can really be both good and different! Take parsnips and rutabagas, for instances. If your family hasn't been too keen about them before, they might like them this way. I know my family does, and they're inclined to turn up their noses at them served in any other way. Here are some suggestions for those two fall vegetables, and others too:

CANDIED PARSNIPS—Wash and scrape or peel parsnips, and cook whole or cut in halves lengthwise. Cook covered in small amount of salted water, about 30 minutes or until tender. Drain, sprinkle with brown sugar, salt and pepper and bake in moderate oven about 15 minutes, basting parsnips once or twice with hot water and meat drippings. Serve as you would sweet potatoes.

SPICED RUTABAGAS—(This goes for turnips, too.) Wash and slice rutabagas, and cook covered until tender in just enough hot, salted water to create a steam, about 15 minutes. Drain and mash and season with salt, pepper and a little ground cinnamon and cloves if you like.

CAULIFLOWER SALAD—Wash cauliflower, and separate into tiny flowerlets or chop coarsely. Add raisins, chopped apple, chopped nut meats and marinate in a tart light dressing. Serve on a bed of shredded spinach. This really tastes better than it sounds!

PUMPKIN CAKES—Cut pumpkin into pieces suitable for boiling, remove seeds and fiber, cut off rind, and cook covered in just enough boiling salted water to create a steam until pumpkin is tender, about 20 to 30 minutes. Drain, mash and season with salt and pepper. Add just enough evaporated or fresh milk to form a smooth mixture. Form into cakes or patties and brown quickly in hot drippings or shortening. Serve in place of potatoes or as any other vegetable. The winter varieties of squash may be prepared in the same manner.

STUFFED SQUASH—Use small individual squashes like Danish. Split squash, remove seeds and parboil in salted water until almost tender. Drain and fill cavities with chopped, cooked meat and tomato mixture. Bake in hot oven (400° F.) for about 30 minutes or until squash is thoroughly tender and meat mixture is heated through.

AT WOODROW

ROOM 4
Room 4 has begun the study of "The Growth of the United States."

ROOM 14
The low and high fourth grade pupils of Woodrow Wilson school are beginning a study of San Mateo county. They will learn something about the cities and towns in the county, the industries, the natural resources, and the recreational activities that this county offers them. They will begin their new unit with a brief study of the history of San Mateo county.

ROOM 12
The children of Room 12 are happy to have the following new classmates: Marcia Mitchell, Charles Goodnol, Marcus Miser, Raymond Lamaster, Billy Senz and Bill Neumann.

ROOM 8
The low seventh grade welcomed seven new students to their room at the beginning of this semester. They are: Phyllis Daley from San Francisco; Eva Evans, Hot Springs, Arkansas; Anna Mae Gallagher, Chicago, Illinois; Marvin Hall, Willow Springs, Missouri; Grace Lamaster, San Francisco; Myra Miser, Reno, Nevada; Harry Pietens, Newport, Rhode Island.

ROOM 9
Room 9 at Woodrow Wilson Elementary school has four new students. The boys and girls were glad to welcome Bobby Harris, who came from Louisiana; Stephen Mitchell, who came from Santa Rosa; Marie Baldette, and Roger Lillo.

LOW FIFTH
The low fifth grade of Woodrow Wilson Elementary welcomes the following: Robert Meramon, from Pico, California; Penny Broyles, from Arizona; Robert Kalinin, from San Francisco; Rose Cortez, from General Pershing school; Ruth Evans, from Arkansas; Jack Schelin, from Kansas; and David Shrode, from Long Beach.

ROOM 5
On Friday, September 17, the student body of Woodrow Wilson Elementary school paid tribute to the anniversary of the formal signing of the Constitution of the United States, vital safeguard of the future.

AT CROCKER

During the summer vacation several students from Room 3 helped the government by picking fruit. Betty De Long and Richard Dickson picked apples, apricots and prunes in the East Bay. Maureen Dempsey and Jems Wagner traveled south to pick plums, apricots and cucumbers, while Ragnar Nordgren picked apples at Sebastopol.

Room 2 is taking up the study of cotton and wool in the United States. Last week they were shown a film called "The Old South." This showed life on the plantations, primitive methods of farming, manufacturing and transportation.

Watch Your Vitamin C

By BETTY BARCLAY

Our fighting men are being served a balanced diet, but we on the home front where shortages are the rule and not the exception, must be constantly on the "alert". It's very, very easy to get enough food, but not enough of some certain food constituent.

Take Vitamin C, for example. This is one food constituent that must be obtained daily. The body refuses to "store" it up for future use as it stores practically everything else. Besides, vitamin C stores are drawn on heavily as we increase our efforts — viz., the harder we work the more vitamin C we need.

So keep your vitamin C food basket well filled. For your daily need of this vitamin, your first choice should be oranges, then lemons, grapefruit, tomatoes, cabbage — best raw. Alternates are melons, peppers, raw salad greens and rhubarb. Fill this basket often — and empty it quickly. Vitamin C is a daily requirement.

A glass of orange juice for breakfast; a healthful salad at noon; a fruit cup for dinner; and a glass of lemonade as a thirst quencher — all may be prepared from this important basket of fruits and vegetables. Serve such dishes daily and you need have no fear of a vitamin C shortage.

a new pupil, Albert Mangini, from St. Peter's school in San Francisco.

Albert Salogga spent Sunday at Half Moon Bay with friends.

AT JEFFERSON

Both teachers and children of the Jefferson Elementary school lost no time in getting back to their smooth daily routine. Term programs are well under way and the Victory Garden across the way, is now cleared of its vacation weeds. Plots have been apportioned to the various grades and the children are all set to raise a large supply of vegetables.

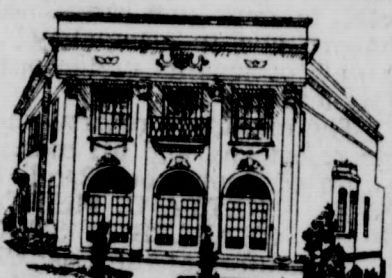

The kindergarten children are very busy getting used to school. Going from home to school is a big step, and the Jefferson kindergarten is thoroughly equipped to make that step a pleasant one. The first, second and third grades have started on their respective units of work.

The fourth grade is studying Indians. The room is decorated with pictures and decorations to stimulate interest.

In the sixth grade there is great interest in the social science unit, "The Story of the Sea."

The seventh grade teacher reports that last week's purchase of War Stamps amounted to over \$30, and each child has agreed to purchase as many War Stamps on Stamp Day as his budget will allow.

Eighth graders have started a very interesting social studies unit entitled, "Living in the San Francisco Bay Area." This unit provides a real opportunity to become well acquainted with the entire Bay region as well as to learn many important things about California as a whole. While the unit places emphasis on conditions and situations that exist today it is necessary to know a good deal of the past in order to

Woodrow P. T. A. Issues Invitation

Woodrow Wilson P. T. A. cordially invites the public to attend its whist party, this afternoon, September 30, at the home of Mrs. Florence Hopman, 27 Gambetta street. Playing will begin at 1:30 p. m.

The committee in charge announces many attractive prizes and assures a pleasant afternoon of whist.

Woodrow Wilson P. T. A. held its first regular meeting of the fall term at Woodrow Wilson school, Tuesday, September 21. The session was called to order at 2 p. m. by Mrs. Elsie Hesslein, president.

Health Chairman Mrs. Emily Lohr gave a talk on immunization and told how important it is to have children vaccinated.

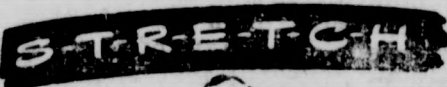

Mrs. Hilda Heagney and Mrs. Mildred Ventura reported on the Seventeenth district school of instruction, held in Burlingame.

A luncheon and sewing was announced and will be held, October 12, 12:30 p. m. at 301 Wellington avenue. Co-hostesses will be Mrs. Hazel Marsh and Mrs. Ethel Saame. Anyone who is unable to attend is requested to notify the hostesses in advance.

On October 19 a combined P. T. A. meeting will be held at Jefferson Union high school at 7:30 p. m. The Woodrow Wilson unit will participate in the entertainment.

During the September 21 meeting, the resignation of Mrs. Mildred Ventura, publicity chairman and historian, was read and accepted. She is moving away from the community. Mrs. Martha Linden will take over the duties of historian and Mrs. Eschenauer, 161 Miriam street, will be publicity chairman.

Three new members were introduced at the meeting: Mrs. Eschenauer, Mrs. Kirviler, and Mrs. Thelma Beecher.

THE LIFE OF YOUR TIRES

have a real appreciation of the present. Therefore the unit is including much of the colorful history of California which has played so important a part in the growth and development of the San Francisco Bay area.

Some fine motion pictures will be shown during the unit. They are: "California Missions," "Overland to California," "Golden Gate City—San Francisco" and "Luther Burbank."

Class activities will include the making of work plans, maps and charts, lantern slides, individual reports, individual and class books, collection and mounting of pictures, participation in discussions and a variety of other experiences. The unit will last until the end of October.

A "Repeat" Dessert

By Frances Lee Barton

HERE'S a dainty dessert that when once tried, it is guaranteed to become a "repeat" — particularly during rationing days.

Nothing is required but your gelatin, a pint of hot water and whatever kind of melon balls are available locally. Yet the resulting dessert is a light, healthful and tasty delicacy that will delight you.

Cola Mold with Melon Balls
1 package cola-flavored gelatin;
1 pint hot water; 1½ cups honeydew melon or cantaloupe balls.
Dissolve gelatin in hot water. Chill. When slightly thickened, fold in melon balls. Turn into ring mold or individual molds. Chill until firm. Unmold. Serves 6.

ABOUT TOWN

Mrs. Clarise Scott, Parkview avenue, had as her guest, last week, Mrs. Mable Duffner, her sister, from Point Rey, California.

A marriage license was issued, last week in San Francisco, to William Baker, 21, U. S. Navy, and Beatrice Lozano, 20, Daly City.

A marriage license was issued, last week, in San Mateo county to William Lewellyn Jr., 23, San Francisco, and Florence Arata, 21, Daly City.

PERSHING PTA

General Pershing P. T. A. will hold its regular business meeting, Tuesday, October 5, 1:30 p. m. at General Pershing school. Mrs. Sophie Evans is president.

During the month of October, Pershing unit is making a special drive for 100 per cent membership. Those who wish to become members are invited to attend the October 5 session and sign up.

Leaders of Pershing unit explained that P. T. A. membership offers: "a way to share the child's school life, a way to find a place among parents and teachers who share the same school interests and experiences, a way to understand and realize the relation of home, school and community, a way to discover both the opportunities and the limitations of the home and school which may affect the growth and development of children in the community."

Congressman
Announces Plans

Congressman John Z. Anderson,
this district's representative in
Washington, announced from the
nation's capital, last week, plans
for construction work totalling
more than \$107,000 for the Naval
Advance Base, personnel depot,
formerly Tanforan race track, at
San Bruno. The congressman said
the Navy department informed
him work will begin immediately
on the improvements to the base.

The \$107,000 expenditure will
be used to improve the medical
center at the depot, and several
of the main buildings now being
used by the Navy. In addition im-
provements will be made to the
instruction building, gas chamber,
signal and lookout towers, gun
foundations and arms magazine.

Congressman Anderson is back
at his Washington post, following
an extensive visit to the district,
during which he talked with
thousands of his constituents ab-
out the emergency and war pro-
gram with which the Congress is
concerned. He reported today the
present session of Congress prom-
ises to be one of the most impor-
tant in history.

Bank Of America
Wins 'Socrates Award'

Advertising placed in California
newspapers by the Bank of Amer-
ica during the past 12 months has
won for the bank the famous
"Socrates Award" for national
leadership in bank advertising.
The announcement was made in
the October issue of "Bank-Ad
Views," just released.

The award, eagerly sought an-
nually by hundreds of leading
banking institutions throughout
the country, is based on original-
ity of ideas, the effectiveness of
layout and illustrative technique,
and excellence of copy and serv-
ice to the public.

When laying down the policy
for the year's efforts, A. P. Gian-
nini, founder of Bank of Amer-
ica, declared that "wartime is not
only a time for continued adver-
tising effort, but because of the
more difficult problems to be met,
it should be of even better qual-
ity."

What can I do?

We believe that nearly all Americans are convinced that, with all its drawbacks, a food rationing program is necessary for an equitable distribution of foods. We have only to remember the chaos which existed prior to rationing, when various lines were "bought out" at the stores.

To help make food rationing more workable, each American housewife or purchaser of food for the family unit, should do everything within her power to cooperate with retailers. An understanding of details of the program will do much to aid in daily shopping. Please remember that your food dealer does not make the regulations, but is charged with the responsibilities of carrying out a plan which rationing experts have decided is most helpful to the nation at large.

As Daly City's largest food center, Milo's Market brings you complete shopping service in one big, modern, deluxe market. At the "Top of the Hill" in the center of Daly City's business district, our one-stop convenience can be a real aid in these busy times.

Strongly competitive prices, made possible by our really big-store operations, reign in all departments. Featured are nationally famous brands of staple and fancy groceries at rock-bottom prices; complete selection of all kinds of fresh fish and poultry; and a meat department whose tremendous volume assures a wide choice of cuts and kinds of fresh and cured meats at low prices.

"Gardening" is a pleasure in our enormous section set aside for fresh fruits and vegetables, with racks and racks of every produce item in season. All are daily-fresh, hand-selected from the best at the growers' markets.
